- Assessing operations for environmental compliance
- Analyze data to ensure protection of groundwater with beneficial use

Benefits

- Flexible work hours
- Paid holidays
- Paid vacation
- Sick leave
- Health coverage
- Dental
- Vision
- State retirement plan

DOGGR

Oversees the drilling, operation, maintenance and plugging and abandonment of oil, gas and geothermal wells.

The Division's Renewal Plan emphasizes decision making based on data and science. DOGGR is implementing several new strategies and tools that are changing the way we work, think and communicate.

ARE YOU QUALIFIED?

Graduation from college with major in geology, engineering geology, IT or related field.
Other qualifying experience may be substituted. See <https://jobs.ca.gov> for details.

OIL, GAS &
GEOTHERMAL
